INTERNSHIP AT SANDBOX AG, ZURICH

Sandbox AG (www.sandbox-network.com) is looking for a new intern at its Zurich Head Office. You are a team player, passionate about social networks, who enjoys working in a fast-paced environment with a dynamic young team?

- Start date: September 2009
- Duration: min. 3 months, preferably 5-12 months

ABOUT US

Sandbox is a trusted global network where extraordinary young achievers under 30 come together. It's an inspiring meeting place where a selection of young thinkers and doers connect, exchange ideas and talk about innovation.

The organization emerged from the need for young entrepreneurial talents to build a truly international and broad network: people who have been very active between 15 and 25 are usually very well connected locally or even nationally, but they lack the high-level international contacts that could allow them to launch new projects on a bigger scale. Sandbox offers them access to people from all backgrounds and origins, who have in common the same desire to make new ideas happen.

Sandbox is professionally managed by a young and diverse team based in London, New York and Singapore and Zurich. Three full time employees are in charge of the overall coordination.

Sandbox is active on two sides: online and offline. We run an online social network to connect Sandboxers around the globe and provide a platform where these people can get feedback on their ideas and projects. On the offline side, we organise events all over the world with the ambition to inspire our members with innovative content and challenging discussions.

YOUR ROLE

As intern in the Sandbox Head Office in Zurich, you will be responsible for a variety of tasks, including, but not limited to

- Act as the main moderator of the online community
- Membership administration
- Pre-screening of the members
- Research for newsletters, events, whitepapers
- Write blog posts, support communication
- Create portraits of members
